#### § 984.305 FSS account.

(a) *Establishment of FSS account—(1) General.* The PHA shall deposit the FSS account funds of all families participating in the PHA's FSS program into a single depository account. The PHA must deposit the FSS account funds in one or more of the HUD-approved investments.

(2) *Accounting for FSS account funds—(i) Accounting records.* The total of the combined FSS account funds will be supported in the PHA accounting records by a subsidiary ledger showing the balance applicable to each FSS family. During the term of the contract of participation, the PHA shall credit periodically, but not less than annually, to each family's FSS account, the amount of the FSS credit determined in accordance with paragraph (b) of this section.

(ii) *Proration of investment income.* The investment income for funds in the FSS account will be prorated and credited to each family's FSS account based on the balance in each family's FSS account at the end of the period for which the investment income is credited.

(iii) *Reduction of amounts due by FSS family.* If the FSS family has not paid the family contribution towards rent, or other amounts, if any, due under the public housing or section 8-assisted lease, the balance in the family's FSS account shall be reduced by that amount (as reported by the owner to the PHA in the Section 8 FSS program) before prorating the interest income. If the FSS family has fraudulently under-reported income, the amount credited to the FSS account will be based on the income amounts originally reported by the FSS family.
